

MEDICAL UNIVERSITY OF SOUTH CAROLINA
COLLEGE OF MEDICINE
CURRICULUM VITAE

NAME: Mark T. Wagner

DATE: August, 2021

OFFICE ADDRESS: Department of Neurosciences, Division of Neurology
Medical University of South Carolina wagnermt@musc.edu

PHONE #: 792-3221

EDUCATION:

| YEARS | TRAINING | LOCATION |
|-----------|--|---|
| 1972–1976 | B.A., Psychology | Metropolitan University Denver, Colorado |
| 1976–1979 | M.A., Experimental Psychology | University of the Pacific Stockton, California |
| 1979–1985 | Ph.D., Clinical Psychology (Specialty: Neuropsychology) | Memphis University Memphis, Tennessee |
| 1984–1985 | Teaching Fellow in Psychiatry (Psychology) | Boston University Medical Center Boston, Massachusetts |

LICENSURE: South Carolina #536, South Carolina Board of Examiners in Psychology (Clinical Psychology)

New York State #10272, University of the State of New York Education Department, State Board for Psychology (Clinical Psychology) inactive status

FACULTY APPOINTMENTS:

| YEARS | RANK | DEPARTMENT | INSTITUTION |
|---------------|---------------------|--|---|
| 1984–1985 | Teaching Fellow | Psychiatry | Boston University Medical Center |
| 1985–1987 | Senior Instructor | Preventive Medicine, Family Practice, & Rehab Medicine | University of Rochester School of Medicine & Dentistry |
| 1987–1989 | Assistant Professor | Preventive & Rehab Medicine | University of Rochester School of Medicine & Dentistry |
| 1989–1992 | Assistant Professor | Orthopaedics, Rehab Medicine | University of Rochester School of Medicine & Dentistry |
| 1992–1995 | Assistant Professor | Neurology | Medical University of South Carolina |
| 1992–1995 | Assistant Professor | Psychiatry & Behavioral Sciences | Medical University of South Carolina |
| 1995–2000 | Associate Professor | Psychiatry & Behavioral Sciences | Medical University of South Carolina |
| 1995–2011 | Associate Professor | Neurology | Medical University of South Carolina |
| 2011- Present | Professor | Neurology | Medical University of South Carolina |

HOSPITAL APPOINTMENTS:

| YEARS | POSITION | INSTITUTION |
|--------------|---|--|
| 1978–1979 | Research Assistant | University of the Pacific/Stockton Police Department |
| 1980–1981 | Research Assistant | Federal Correction Institute |
| 1981–1982 | Student Psychologist | St. Joseph Hospital |
| 1982–1983 | Student Psychologist | Memphis Mental Health Institute |
| 1983–1984 | Neuropsychology Technician | University of Tennessee/Memphis University |
| 1985–1992 | Director of Neuropsychological Services | Monroe Community Hospital |
| 1985–1992 | Adjunct Staff in Clinical Psychology | Monroe Community Hospital |
| 1992–2001 | Director of Neuropsychological Services, Memory Disorder Clinic | Medical University of South Carolina |
| 1992–2001 | Associate Director, Psychological Assessment Center | Medical University of South Carolina |
| 1992–Present | Consulting Medical Staff | Medical University of South Carolina |

MEMBERSHIP IN PROFESSIONAL/SCIENTIFIC SOCIETIES

NATIONAL SOCIETIES

American Congress of Rehabilitation Medicine- expired
 New York Neuropsychological Group- expired
 International Neuropsychological Society- active
 American Psychological Association, Division of Clinical Neuropsychology- expired
 National Academy of Neuropsychology — Fellow Status- active

EDITORIAL POSITIONS

Peer Reviewer, Epilepsia
 Peer Reviewer, Journal of Geriatric Psychiatry and Neurology
 Peer Reviewer, The International Journal of Psychiatric Medicine, 2006-Present.
 Peer Reviewer, Neuropsychology Review, 1996–Present
 Peer Reviewer, Journal of Traumatic Stress, 1998–Present
 Peer Reviewer, Archives of Physical Medicine and Rehabilitation, 1990–Present
 Peer Reviewer, International Journal of Neuropharmacology, 1997–Present
 Peer Reviewer, Harcourt College Publishers, 2001- Present
 Peer Reviewer, Journal of the International Neuropsychological Society
 Grant Reviewer, Alzheimer Association 2000- Present

CURRICULUM VITAE

MARK T. WAGNER, PH.D.
PAGE 3.

EXTRAMURAL GRANTS/AWARD AMOUNT

PRINCIPAL INVESTIGATOR

- 1991–1992 Principal Investigator, "Neurocognitive Dysfunction and Awareness of Cognitive Deficit as Factors Affecting Continent Behavior in the Nursing Home Population." National Institute of Aging, Award: \$21,252
- 1994–1995 Principal Investigator, "Neuropsychological and Neuropsychiatric Manifestations of Eosinophilia Myalgia Syndrome." Showa Denko American, Award: \$123,000
- 1998–2000 Principal Investigator, "Rehabilitation of Cognitive Deficits Associated with Secondary Progressive Multiple Sclerosis." National Institute of Child Health and Human Development, R-21, MD36990-01: \$71,654.

CO-INVESTIGATOR/CONSULTANT

- 1994 Consultant, "Clinical Trial of Mentane with Alzheimer's disease." Hoechst-Roussel Pharmaceuticals Inc.
- 1995 Co-Investigator, "Enhancing Family Caregiving with Life Story Book and Life Review." Alzheimer's Association, 3/1997–2/2000, Award: \$152,014.
- 1995 Consultant, "Twenty-Four Week Efficacy and Safety Study of Propentofylline (HWA 285) in Patients with Vascular Dementia." Hoechst-Roussel Pharmaceuticals Inc.
- 2000 Consultant, An Open-Label, Single-Arm Study of Simvastatin as a Therapy for Multiple Sclerosis.
- 2001 Teichner, G, & Wagner, M.T. Increasing treatment compliance with acetylcholinesterase inhibitors in patients with mild to moderate Alzheimer's disease. Grant Application; Alzheimer's Association (rejected).
- 2002 Co-investigator, Life Review: Managing chronic stress in Alzheimer dyads, NIH/NINR, Barabra Haight, Ph.D., PI.
- 2003 Co-investigator, Human Pilot Study – Safety and Efficacy of 3,4-Methylenedioxymethamphetamine (MDMA) Assisted Psychotherapy in the Treatment of Chronic PTSD Michael C. Mithoefer, M.D., Mark T. Wagner, Ph.D.
- 2004 Co-Director of Clinical Core, Alzheimer Disease Research Center, Mintzer & Bachman.
- 2004 Consultant, Translational Research in Addiction Center- Project 4, 5 yrs, NIH/NIDA/DHHS, Ron See, Ph.D.
- 2008 Co-investigator. RNS System Pivotal Clinical Investigation 2yr
- 2017 Feasibility Study on LITT for Medical Refractory Epilepsy. Monteris Medical (Flare Study)
- 2017 Phase 3 Study A Phase 3 Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study to Evaluate the Efficacy and Safety of Aducanumab (BIIB037) in Subjects with Early Alzheimer's Disease (ENGAGE)

CURRICULUM VITAE

MARK T. WAGNER, PH.D.

2012 FMRI in Anterior Temporal Epilepsy Surgery (FATES).

2012 Radiosurgery or Open Surgery for Epilepsy (ROSE)

2011-2012 Consultant Eladian Partners, LLC

2000-2011 Consultant Automated Trading Desk, LLC

2004-Present Consultant Hawkes Learning Systems

2000-Present Consultant MAPS

ACADEMIC COMMITTEES

1986–1987 Center on Aging Steering Committee, Monroe Community Hospital, Rochester, New York

1988–1992 Stroke Group Organizational Chairperson, University of Rochester Medical Center, Monroe Community Hospital, Rochester, New York

1985–1992 Administrative Committee, Inpatient Rehabilitation Service Program, Monroe Community Hospital, Rochester, New York

1991–1992 Instructional Committee on Animal Research, Chairperson, Monroe Community Hospital, Rochester, New York

1992–present Administrative Committee, Memory Disorder Clinic Service Program, Neurology, Medical University of South Carolina

1992–2000 Administrative Committee, Consultation-Liaison Service, Institute of Psychiatry, Medical University of South Carolina

1992–Present Psychology Internship Education Committee, Medical University of South Carolina

1994–Present Ad Hoc Committee Chief, Medical University of South Carolina Internship Program

1994–2000 Neuropsychology State Interest Group, Secretary

1997-1999 Estuary Association Syndrome Committee sponsored by the CDC.

2001-Present MUSC Neuroscience Institute, Member

2010- Present Executive member MUSC Sarcoidosis Comprehensive Care, Research, and Education Center (SACRED).

2014- 2014 Committee judge. Student Research Award. National Academy of Neuropsychologists.

ACADEMIC MISSION BASED SALARY SUPPORT COMMITTEES (AMBSS)

2014-Present Mentor, Neuropsychology Internship Education Program

2014-Present Mentor, Neuropsychology Internship Clinical Program

2014-Present Assigned lecturer, non-neurology housestaff didactic seminar

2014-Present Assigned lecturer, general neurology resident didactic seminar

MAJOR CLINICAL INTERESTS AND RESPONSIBILITIES

Department of Neurology, Section of Neuropsychology, Medical University of South Carolina. Director of Neuropsychological Services. Consultation for general adult neurological inpatient and outpatient services at Medical University Hospital programs. Staff of post-doctoral and internship psychologists. Responsibilities include administrative, supervisory, and teaching activities.

Psychological Assessment Center, Consultation-Liaison Service, Institute of Psychiatry, Medical University of South Carolina. Director of psychological and neuropsychological consultation for general adult psychiatric inpatient units at the Institute of Psychiatry, other Medical University Hospital programs, and outpatient services. Staff of post-doctoral and internship psychologists. Responsibilities include administrative, supervisory, and teaching activities.

Psychological Assessment Center, Consultation-Liaison Service, Psychological Assessment Center, Consultation-Liaison Service, Institute of Psychiatry, Medical University of South Carolina. Co-director of psychological and neuropsychological consultation for general adult psychiatric inpatient units at the Institute of Psychiatry, other Medical University Hospital programs, and outpatient services. Staff of post-doctoral and internship psychologists. Responsibilities include administrative, supervisory, and teaching activities.

Director of Neuropsychology Services, University Hospital Memory Disorder Clinic, Department of Neurology, Medical University of South Carolina. Memory Disorder Clinic specializing in outpatient diagnostic evaluation of elderly adults with questions of possible Alzheimer's Disease.

Clinical supervisor, Inpatient Child Psychiatric Services, Institute of Psychiatry, Medical University of South Carolina. Supervision of two psychometricians where intellectual and objective psychological diagnostic evaluation services are provided to patients admitted for inpatient psychiatric hospitalization.

CURRICULUM VITAE

MARK T. WAGNER, PH.D.

PAGE 8.

Clinical Neuropsychologist, Private Practice, University Medical Associates (UMA). Outpatient diagnostic service for patients referred for neurocognitive and/or psychological evaluation. Special interest in neurological disorders affecting the elderly including degenerative dementias, cerebral vascular disease, depression, and in the younger population closed-head injury.

MARK T. WAGNER, PH.D.

PAGE 21.

Wagner, C.L., Wagner, M.T., & Kendig, J. (1993). Longitudinal neurodevelopmental outcome of very low birth weight infants followed from birth to 5–7 years. Paper presented at the National Academy of Neuropsychology annual Meeting. Phoenix, AZ.

Wagner, M.T., & Cushman, L.A. (November, 1992). Neurocognitive predictors of unsafe risk behavior in the rehabilitative stroke population. Paper presented at the American Congress of Rehabilitative Medicine 69th Annual Session. San Francisco, CA.

Wagner, M.T., & Cushman, L.A. (November, 1992). Unawareness of neurocognitive deficit following stroke. Paper presented at the American Congress of Rehabilitative Medicine 69th Annual Session. San Francisco, CA.

Cushman, L.A., & Wagner, M.T. (November, 1992). Depressed mood after stroke: Its relationship to functional impairment. Paper presented at the American Congress of Rehabilitative Medicine 69th Annual Session. San Francisco, CA.

Wagner, M.T., McDaniel, K.D., Greenspan, B., & Hamill, R. (February, 1992). Longitudinal case study of primary progressive aphasia: Progression to global dementia. Paper presented at the International Neuropsychological Society Annual Conference. San Diego, CA.

Wagner, M.T., & Cushman, L.A. (February, 1992). Lesion site and degree of neurocognitive impairment as predictors of unawareness of cognitive deficit in cerebrovascular disease. Paper presented at the International Neuropsychological Society Annual Conference. San Diego, CA.

Wagner, M.T., & Cushman, L.A. (February, 1992). The functional significance of the subcortical syndrome in the rehabilitative setting. Paper presented at the International Neuropsychological Society Annual Conference. San Diego, CA.

Nickoley, S. & Wagner, M. (July, 1991). Promoting urinary continence in the nursing home setting. Paper presented at the New York State Best Practices Conference: New York Department of Health and Hunter-Mount Sinai Geriatric Education Center. Albany, New York City, Rochester, NY.

Wagner, M.T., McDaniel, K.D. & Greenspan, B.S. (November, 1990). Primary progressive aphasia: A SPECT and longitudinal neuropsychological study. Paper presented at the National Academy of Neuropsychologist Conference. Reno, NV.

Wagner, M.T. & Cushman, L.A. (November, 1989). A method of testing for visual agnosia using standard neuropsychological instruments: Case example presentation. Paper presented at the National Academy of Neuropsychologists Conference. Washington, D.C.

Wagner, M.T., Cushman, L.A. & Friedman, P.+ (November, 1989). Generalized cognitive decline as an indicator of "dementia" in unilateral cerebrovascular lesion. Paper presented at the National Academy of Neuropsychologists Conference. Washington, D.C.

Wagner, M.T. (November, 1989). The WAIS-R profile as a psychometric marker of Alzheimer's Disease. Paper presented at the National Academy of Neuropsychologists Conference. Washington, D.C.

Wagner, M.T. (October, 1987). Comparison of the effects of cortical and subcortical stroke on higher cortical functions. Paper presented at the National Academy of Neuropsychologists Conference. Chicago, IL.

Wagner, M.T. & Aggarwal, U. (April, 1987). Geriatric stroke rehabilitation: A clinical, educational, and research opportunity. Paper presented at the Spring Symposium on Aging. Rochester, NY.

Wagner, M.T., Williams, J.M., & Long, C.J. (July, 1986). The influence of social support on the recovery from head injury. Paper presented at the International Neuropsychology Society European Conference. Veldhoven, The Netherlands.
